George Ricci
President
Rainshow'r Mfg. Co., Inc.
PO Box 2167 421 S. California St. Unit D
San Gabriel, CA 91776

Dear Mr. Ricci,

Active Recycling Co., Inc. is proud to have successfully located domestic recyclers for the scrap brass that your customers return to *Rainshow'r*. Upon your request, we are prepared to pick up these metals from your facility and supply the same material to local smelters and other U.S. bronze consumers that we recycle with.

Such responsible business practices will further benefit our environment. Your material will NOT have to travel a great distance to reach overseas manufactures. This was your goal and we commend you for your interest in seeking a local and responsible recycling company. We look forward to working with you and accommodating you and your customers' interest.

As a reminder, we offer 7 day truck service to the greater Los Angeles area. We kindly ask that you place your pick up request with our dispatcher by 2:00PM, for following day service.

If there is anything else that we can better assist you with, please simply give us a call.

Respectfully,

Darren Segal
President
