

Rainshow'r Introduces the New Century Shower Filter & Bernoulli Showerhead

Bernoulli Showerhead

- Power Shower — Highest performance fixed-action showerhead
- Exceeds Federal water conservation standards
- 6.7 oz non-clogging, non-scaling solid American brass
- Delivers drenching water drops, not needle spray
- Engineered by Rainshow'r, made by American craftsmen
- 5 finishes from Polished Chrome to Brushed Nickel
- Patent Pending

New Century Dechlorinating Shower Filter

- WQA Gold Seal, tested to NSF #177
- 18 oz KDF[®]-55 — Highest of all
- Energized crystal and large pre-filter
- Body engineered to maximize media contact time
- Eco friendly — only 4.5 oz plastic with recycling program
- Non-cartridge type with extended life
